The exam will be approved when the grade obtained in the same is equal to or greater than 4.5 (over10). Once the exam is approved, the corresponding weights will be made (remaining 40% of the final mark). - Assignments 40%: exercises done in class. 8/9 assignments. The attendance is compulsory. 3. If the final exam grade is less than 4.5, the subject will not be passed, and the corresponding weights (60% and 40%) will not be applied and the student must submit to the resit exam. The subject is passed when the grade obtained from the weights (60% and 40%) is equal to or greater than 5. 4. Resit: the examination will be a final exam, the minimum grade for which is approved is 4.5 (over 10). Once approved, the corresponding weighting will be made (40% of assignments already made during the course) to see if the student passes or not the subject after applying the weights. The reception of new assignments for the resit call is not accepted, only those made during the course.
