Once the exam is approved, the corresponding weights will be made (remaining 40% of the final mark). If the final exam grade is less than 5, the subject will not be passed, and the corresponding weights (60% and 40%) will not be applied and the student must submit the resit exam. The subject is approved when the grade obtained from the weights (60% and 40%) is equal to or greater than 5. Resit: the examination will be a final exam, the minimum grade for which is approved is 4.65 (over 10). Once approved, the corresponding weighting will be made (40% of assignments already made during the course) to see if the student passes or not the subject after applying the weights.
